

TableBook Me Ltd (TBM) – Cookie Policy

Introduction

This cookie policy explains how TableBook Me Ltd (“TBM”, “we”, “us”, or “our”) uses cookies and similar technologies when you visit our website.

Cookies help us to distinguish you from other users of our website. This allows us to provide a better browsing experience and to improve the performance and functionality of our website.

Cookies that are **not strictly necessary for the operation of the website will only be placed on your device with your consent**, in accordance with the Privacy and Electronic Communications Regulations 2003 (PECR).

If you have any questions about this policy or our use of cookies, please contact us at:

Email: clientservices@tablebook.me

What are cookies?

A cookie is a small text file containing letters and numbers that is stored on your browser or device when you visit a website. Cookies allow a website to recognise a user's device and store certain information about preferences or past actions.

Cookies may be set by us (first-party cookies) or by third parties whose services are used on our website (third-party cookies).

Types of cookies we use

Strictly Necessary Cookies

These cookies are essential for the operation of our website and enable core functionality such as security, authentication, and network management. They are typically set in response to actions you take, such as logging in or completing forms.

Under PECR, these cookies **do not require your consent** because they are strictly necessary to provide a service you have requested.

Examples include cookies used to:

- maintain secure login sessions
- protect the website from fraudulent activity
- remember cookie consent preferences

Analytics / Performance Cookies

These cookies help us understand how visitors interact with our website by collecting information such as:

- the number of visitors to the site
- how visitors arrive at the site
- which pages are visited

We use this information to improve the performance and usability of our website.

These cookies are **only set if you provide your consent**.

Functionality / Preference Cookies

These cookies allow the website to remember choices you make (such as language, region, or display preferences) so that we can provide enhanced and more personalised features.

These cookies are **only placed on your device with your consent**.

Targeting / Advertising Cookies

These cookies record your visit to our website, the pages you visit and the links you follow. They may be used to make advertising displayed to you more relevant to your interests.

Where used, these cookies are **only placed with your consent**.

Third-party cookies

Some cookies used on our website are placed by third-party services that appear on or are integrated with our website.

For example, we use **Google Analytics** to help us understand how visitors use our website. Google Analytics uses cookies to collect information such as the number of visitors to the website, how visitors arrive at the website, and the pages they visit.

Information generated by these cookies may be transmitted to and stored by Google.

You can find more information about how Google uses your data here:

<https://policies.google.com/privacy>

You can opt out of Google Analytics tracking across websites here:

<https://tools.google.com/dlpage/gaoptout>

Third-party providers are responsible for the cookies they set and their own privacy practices.
